

Hello Everyone, Focus - Children's week

It was lovely to see so many Grandparents this morning at assembly.

This week we have shared, Stories, Friendship, Happiness, Comfort, Inventiveness, Creativity and boundless amounts of Energy

Students used modelling clay to make all sorts of interesting Creations such as a space plane, Snowman, Flowers, Tea Pot and a House.

We have added an additional table as we are finding students love creating or playing board games.

Wishing you lovely weekend:)
Theircare Team

Friendly Reminder 3rd of November - Pupil free Day

A Friendly reminder Theircare is open and running a service from 7am to 6pm,
Bookings Open

Please pack morning Tea and lunch for your child.

Breakfast and afternoon Tea Provided

Creative Activities

Students explored different mediums and creative applications. Using watercolours to paint fish, landscapes flowers and other creative designs.

Also Design a new device or invention. "I can't think of anything"...suggest you sit quietly and ponder, few minutes later this student designed a device that puts your rubbish bins out! (A sensible and practical solution to "Who put the bins out last?")

Pancake Breakfast

Students enjoyed extra breakfast treat this morning pancakes and milky tea.

Clay Creations
